The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### A. Substantial Deviation from the 5-year Plan:

Substantial Deviation from the 5-year Plan:

Any change to Mission statement such as:

50% deletion from or addition to the goals and objectives as a whole

50% or more decrease in the quantifiable measurement of any individual goal or objective.

Due to emergency sewer work at four units some work items will be scheduled at a later CFP program. All work will be completed as scheduled based on the availability of funds.

#### B. Significant Amendment or Modification to the Annual Plan:

50% variance in the funds projected in the Capital Fund Program Annual Statement.

Any Increase or decrease over 50% in the funds projected in the Financial Resource statement and/or the Capital Fund Program annual Statement

Any change in a policy or procedure that requires a regulatory 30-day posting

Any submission to HUD that requires a separate notification to residents, such as Hope VI, Public Housing Conversion, Demolition/Disposition, designated Housing or Homeownership programs.

2000 CFP was revised to complete part of sidewalk repair.

2001 CFP was revised to complete the emergency sewer work for four units. Test was completed on October 29, 2002. Due to sewer lines collapsing these units will need to be corrected. All four units will be vacant during correction of sewer repair. These tenants will need to be relocated during this time.
